

Arkansas to Polls in Annual School Vote

By THE ASSOCIATED PRESS

Arkansas voters in at least 60 school districts will decide on proposed bond issues totaling about \$19 million in the school election Tuesday.

Most of the money would go to relieve classroom shortages, but some would also be used to refinance existing debts and relieve debt service millage in affected districts.

The largest issues are at Pine Bluff and Fort Smith, where \$2.5 million in bonds will be on each ballot. The third largest is a \$2 million proposal for the Pulaski County Rural School District.

The state education Department must approve a district's borrowing power and clear the interest rate on each issue before any school bonds can be sold.

Here is a list of the bond proposals by county and district:

Arkansas — Stuttgart district, \$100,000 for expansion and construction of elementary and high schools.

Benton — Bentonville district, \$350,000 to build and equip classrooms at elementary and high schools; Gentry district, \$10,000 to add classrooms to elementary school and equip a bus garage; Gravette district, \$239,284 for general repairs and to build a new high school.

Boone — Harrison district, 6,159, 540 to build new junior-senior high school, add elementary classrooms, refinance existing debt and for general repairs.

Clay — Piggott district, \$300,000 for a new gymnasium; Lakeside district, \$175,000 for classroom additions and equipment.

Clay — Piggott district, \$300,000 for a new gymnasium cafeteria and other additions.

Craighead — Jonesboro district, \$400,000 for general repairs and classroom additions to elementary school; Caraway district, \$210,500 for repairs and construction of auditorium and physical education buildings; Nettleton-Phillips, \$115,000 for a cafeteria.

Cleburne — Quitman district, \$146,215 to build elementary classrooms auditorium and refinance debts and for general repairs.

Cross — Parkin district, \$150,000 for elementary classrooms.

Crittenden — Hulbert - West Memphis district, \$737,028 to purchase site, erect and equip a high school and build elementary classrooms; Marion district, \$80,000 for elementary classrooms and general repairs.

Desha — Arkansas City district, \$100,000 for elementary and secondary classrooms and repairs; Dumas district, \$325,000 to build elementary school and all classrooms and cafeteria to high school.

Faulkner — Vilonia district, \$151,500 to build and equip a new elementary school and refinance debts.

Franklin — Altus-Denning district, \$18,000 for cafeteria and repairs; Garland — Hot Springs district, \$660,000 for site, auditorium, cafeteria and additional classrooms in elementary and secondary

2 Star Cartoons Get Extra Space

Beginning today The Star is increasing space for the cartoons "Out Our Way" and "Our Boarding House" to three columns each, reversing the era of condensation of the last 20 years. These panels were originally three columns, but were cut to two columns as newspaper space tightened up.

In order to accommodate the three column panels one comic strip, "Morty Meekle," has been removed from the cartoon page and will run daily elsewhere in the newspaper.

The Star inaugurated this policy of greater legibility back in 1960 when it increased the size of its body (news) type from 7 to 8-point. What you are reading here is composed on Mergenthaler's 8-point Corona.

Farmers Plan to Defy U.S. USDA Order

ABERDEEN, S.D. AP—Federal Marshals meet here tonight to map strategy for their invasion of Mound City, a village where zealous town folk and farmers threaten "another Mississippi" to keep from turning over government records they have locked in a barricaded building.

The county Agricultural Stabilization and Conservation Service office was moved this year from Mound City, the county seat with a population of less than 200, to Herreid, population 633, eight miles north.

Half of the records were moved to the new ASCS building in Herreid, but Mound City area folks foiled attempts to take the rest. They locked the ASCS office and sandbagged the front. They threatened to fight if anyone comes for the records.

For years Mound City has been wary of any thought of moving the county seat. Mound City fears that if the ASCS records go to Herreid, the courthouse may be the next to go.

"If they call the U.S. marshals out, someone might get his head blown off," one Mound City businessman said. A farmer said Mound City will never give up its fight to keep the ASCS office.

"The government is trying to scare us," he said. "We've been through too much to get scared." Many people in Mound City have a financial interest in the outcome of the battle. They are shareholders in the new building that houses the local postoffice and the former ASCS office.

Travis Lewin of Sioux Falls, assistant U. S. district attorney met with more than 200 Mound City farmers and their wives Saturday night. He said marshals will be sent unless the records are surrendered.

Lewin told the group, gathered in the grade school gymnasium, "if we can't voluntarily get the records we will have to send marshals in. If someone attempts to stop the marshals—and you know what happened in Mississippi—the marshals will be required to take steps to protect themselves."

He advised the Mound City people to surrender.

Rain Soaks Wide Areas in Southwest

By THE ASSOCIATED PRESS

An area of rain, associated with a low pressure center in the western Gulf of Mexico, spread over Arkansas today but will move out of the state tonight.

The rain moved into the state late Sunday, dumping precipitation over the western and southern portions of the state.

The Weather Bureau at Little Rock said the area of rain will continue to move eastward today, reaching the Mississippi River late tonight.

Temperatures are expected to remain warm for this period of the year. The Weather Bureau said temperatures will average 10 degrees above the normal high in the low 50s.

Another rain front will move into the state during the later part of the week. Skies throughout most of the week will remain cloudy.

Rain was generally light over Arkansas Sunday. Fayetteville reported .16 of an inch; Fort Smith had .15 of an inch, and Texarkana reported .02 of an inch.

Sunday's high temperatures ranged from 64 at Harrison to 72 at Texarkana and El Dorado. Over night lows were generally in the 40s in the north and mid 50s in the south.

Nehru Turns Down China's Peace Plan

By HENRY S. BRADSHAW

NEW DELHI, India AP—India will fight to clear Communist Chinese troops from every inch of Indian soil rather than accept Peking's terms for peace, two members of Prime Minister Nehru's Cabinet declared Sunday.

Defense Minister Y. B. Chavan said there can be no doubt about India's ultimate victory. "We do not want to have any compromise with anybody unless every inch of our territory is vacated," Chavan told a public meeting.

Home Minister Lal Bahadur Shastri used similarly defiant terms in an address before another Indian gathering.

Shastri said the resolve to clear Indian soil of the invaders was made clear by Nehru's reply Saturday to a Chinese letter seeking acceptance of conditions on withdrawal of the Chinese invasion army.

Nehru told Premier Chou En-lai that India could not agree to a Chinese "attempt to retain, under cover of preliminary cease-fire arrangements, physical possession over the area which China claims, and to secure which the massive attack since Oct. 20 was mounted."

Nehru was referring specifically to the disputed area in Ladakh, at the northwest end of the border. He said other terms of the Chinese cease-fire and withdrawal proclamation of Nov. 21 "clearly aim at securing physical control of areas which were never under Chinese administrative control."

India has tacitly accepted the cease-fire that ended 32 days of undeclared war by instructing its troops to shoot only if fired upon. Since the cease-fire went into effect Nov. 22, Indian soldiers have lost contact with the Chinese forces.

The Chinese announced they began withdrawal Saturday to their version of the border line. Lack of contact has made it impossible for the Indian army to confirm the extent of the movement. However, an authoritative source in Tezpur said the Chinese have pulled back 20 miles at some points in the northeast.

Though Peking has warned India against military reoccupation of territory the Chinese vacate, Shastri said the Indian troops will eventually go back.

The Indian Communist party came out in support of Nehru's position for a settlement.

The party accused China of long and careful preparation for the fall invasion and said the Indian government proposals, which would strip the Chinese of all the gains, are reasonable.

The Indian Communists' leaders appealed to Asian-African neutrals to urge Peking, which proposes to keep strategic territory in both the northeast and in Ladakh in the west, to accept Nehru's terms.

The party made public a resolution adopted by its central executive committee after a three-day review of the situation. The party had previously condemned the Chinese aggression.

The resolution said the war was the result of "the adventurism of the Chinese leadership in flagrant violation of all policies and principles of the international Communist movement."

Scrap Paper Is Collected Sunday

The Band Boosters Club yesterday collected approximately 10,000 pounds of scrap newspapers and magazines from Hope residents. Seven pickup trucks provided and driven by Band fathers and manned by boys of the Hope Band worked the city block by block.

A few bundles were missed and these will be picked up. The next pickup will be Sunday, Jan. 6, from 1:30 to 5 p. m. Yott urged to save your newspapers, magazines, and boxes for the next month and then place them on the curb tied in bundles on Jan. 6. A truck will go to the factory after that collection.

Arkansas, Ole Miss Old Rivals

By TOM DYCARD

NEW ORLEANS AP—Arkansas and Mississippi, the 1963 Sugar Bowl football foes, have a history of rivalry on the gridiron dating back to 1908.

But probably none of their 25 games can match the drama of their titanic struggle of 1954.

Both unbeaten and untied, both nationally ranked, they met at Little Rock with Mississippi's a touchdown favorite. Mississippi's Rebels were rated No. 5 in the nation; the Razorbacks were ranked No. 7.

For slightly more than 56 minutes the two teams battled without either Mississippi—led by Eagle Day and Houston Patton—or Arkansas' single wing attack able to muster a touchdown.

Then a sophomore halfback named Buddy Benson, a second-stringer, faded back and passed to another sophomore, Preston Carpenter. The ball traveled 31 yards in the air. Carpenter grabbed it on the Ole Miss 35 and galloped to the goal. The clock showed 3 minutes, 45 seconds remaining.

Arkansas won 6-0. The season just passed was the first in 10 years that the Rebels and the Razorbacks failed to renew their neighbor-state rivalry.

Mississippi won the last four contests—the only time in the series that either team has run up a string of as many as four victories over the other.

Over-all, Mississippi leads Arkansas 13-12 in the series. This time the Rebels and the Razorbacks collided with only one regular season defeat between them—Arkansas' 7-3 loss to Texas. Mississippi went through its first undefeated season in history.

The worst that Arkansas ever beat Mississippi was 33-0 in the first game in 1908. Mississippi has whipped Arkansas 28-0 twice—in 1953 and 1959.

Call Prevents a Jailbreak

HOT SPRINGS, Ark. AP—An anonymous telephone caller prevented a possible mass breakout from the Garland County Jail last Saturday night. Sheriff Duffie Searcy said Sunday night.

Searcy said bars and a maximum security screen on a cell window had been sawed away and 20 prisoners had access to the window.

He said the caller warned of the breakout, then officers checked the jail, and found the cell window free of obstructions. He said they also found six blankets tied together, by which prisoners could have descended from the cell, which is above the ground floor.

Searcy said he did not know how many prisoners were involved. He said each was being questioned separately.

One hacksaw blade and pieces of others were found in the cell, coated with candle wax to prevent squeaking when in use, Searcy said.

Wanted Man Gives Self Up

DUMAS, Ark. AP — Police Chief Jesse Gillis of Dumas said a Desha County native wanted by the FBI in connection with armed robberies in California, Oklahoma and Missouri, surrendered to him Saturday night at Dumas.

Willis identified the man as Roy Raymond Sexton, about 40. He said a warrant had been issued for Sexton's arrest in connection with an armed robbery in Tulare, Calif., in 1961.

Court Allows Arkla to Up Rates on Gas

LITTLE ROCK AP—The Arkansas Supreme Court approved today a Public Service Commission order giving Arkansas-Louisiana Gas Co. a 70 cent increase in its monthly minimum bill.

The commission order was issued in September 1961 and approved by Pulaski Circuit Court before it was appealed to the Supreme Court.

Several cities including Pine Bluff, El Dorado, and Conway, carried the fight against the increase before the commission and the courts.

The commission order, in effect, increased Arkla's minimum monthly charge from \$1.17 to \$1.87.

Tied in with the increase was PSC approval of an Arkla proposal to standardize its expense for taxes paid to municipalities. The order set a maximum on the tax of \$2 in class A cities and \$1 in class B cities. Until the order, Arkla paid taxes ranging from nothing to more than \$4 a year in various cities.

The 6-0 supreme court decision, written by Justice Paul Ward, upheld PSC action on all of the numerous points disputed by the cities.

Ward wrote that evidence collected during a lengthy hearing before the commission showed conclusively that Arkla's overall revenue picture justified the increase.

The opinion said there was no evidence that Arkla had passed expenses of non-utility operations on to its customers.

It also said that the PSC had properly allowed advertising costs and costs of appliance merchandising as a utility expense.

The rate increase went into effect in April 1961 while the matter was still pending before the PSC. The cities contended that Arkla had acted unfairly by raising the bill without notice to customers, but the PSC said the company had acted within the law and the court agreed.

Justice Ed McFaddin said in a concurring opinion that Arkla should be required to give notice before it put an escalator increase into effect. The PSC order before the bar today included approval of seven cents worth of escalator increases put into effect over a three year period without notice.

An Open Letter to all Hope School District Voters

Tomorrow we have an opportunity to help the school children in our district by voting for the 40 mill tax rate proposed by our school board and recommended by our Parent Teacher Associations. If approved, this 5 mill tax increase would increase the taxes on \$500,000 worth of property by \$5.00 at the most. As a former teacher, a former member of the Hope School Board, a parent and a taxpayer, I believe that the need for more local school support now is urgent. I know of no way it can be obtained now except to approve the 5 mill tax increase tomorrow.

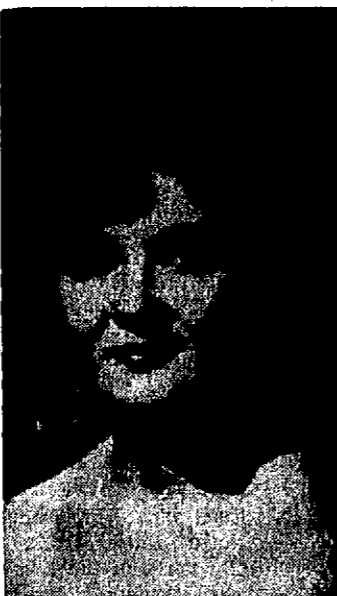

Yerger High School is in grave danger of losing its North Central rating that many of our white and Negro citizens worked so hard to obtain. As I understand it most of the proposed 5 mill increase would go for more school class rooms, more teachers and other needed physical improvements. Some of our teachers have 50 or more students per class.

Arkadelphia is a little smaller than Hope, but it has 2 very large industries and several other sizeable industries within the District. It now pays 42 mills school tax and is voting tomorrow on 50. Arkadelphia's current expenditure per pupil is \$242.00 which \$175.00 comes from local taxes. Hope spends \$178.00 per pupil total, of which \$106.00 comes from local sources. Texarkana pays 42 mills now and votes on 43. Camden, Malvern, Fairview, Magnolia, Nashville, DeQueen all pay 40 mills or more, spend more per pupil total and more from local sources than Hope does. Lewisville pays 38 mills. Jonesboro now pays 40 mills and expends \$215.00 per pupil of which \$165.00 is from local sources. Yet both Nashville and DeQueen are now getting a new factory.

The children in the Hope School District are our children. The schools belong to us to be used for their training. As one citizen reasonably familiar with the schools, tax assessments and tax payments in several of our neighboring counties, I shall vote tomorrow for the proposed 40 mill rate. I only ask that each of you study carefully the present need of our school children and the present available means of meeting that need. Then go vote tomorrow, and vote your own convictions. I am writing and paying for this ad without anyone else knowing of my actions for in this I am acting as a private citizen who, like you, is deeply interested in the present and future needs of our schools.

Sincerely yours,
ROYCE WEISENBERGER

Nikita Admits Reds Losing the Cold War

By GEORGE SYVERTSEN

MOSCOW AP) — Premier Khrushchev was reported Sunday to have admitted to his Communist party leaders that the Soviet Union has been on the defensive in the cold war.

Khrushchev, in a speech Nov. 23 to the Central Committee of the Communist party, was said to have confessed that he had conceded the diplomatic initiative in recent weeks to the United States — particularly during the Cuban crisis.

The report of the still-unpublished closing speech at the Central Committee plenum was circulated here by informed sources.

It was the second leak on the Khrushchev statement in a week. Sunday's version coincided on a number of points with that reported last week.

Khrushchev was said to have defended his tactic of responding to American initiatives by pointing to the concession given by President Kennedy in return for the liquidation of Soviet missile bases in Cuba.

This was Kennedy's pledge that there would be no invasion of Cuba.

The account of Khrushchev's remarks did not clarify at what point the Soviet leader figured the Soviet Union had gone over to the defensive. It also was not clear from the report whether he had outlined any plans for regaining the initiative.

Policy Will Change Says India Envoy

WASHINGTON AP) — Indian Ambassador B. K. Nehru indicated Sunday that Red China's invasion may change his country's traditional nonalignment policy into one involving much closer ties with the West. And he predicted a long war against the Chinese.

"I do not think India can ever be the same again," he said. "As far as policy is concerned, obviously there will be some modifications."

Nehru, in an ABC television interview—"Issues and Answers"—did not predict where the modification would lead.

"This I can't answer at this moment," he said, but he emphasized that the military support received from the United States and Britain in India's time of great need "naturally is going to affect the people of India."

The ambassador said the gratitude felt by the Indian people has been "very, very great... enormous... there is great popularity of the Western powers."

Nehru, a cousin of Indian Prime Minister Jawaharlal Nehru, said the Chinese halted their invasion and ordered a pullback because of the promptly given by the West and the immediate uniting of the Indian population behind a program to drive the Chinese out.

He said peace negotiations with the Chinese are impossible until they retire to the lines they held when they launched their massive attack on Sept. 8. Even this, he said, would leave them in control of some 12,000 square miles of territory that India claims.

"We are not prepared to yield to force," Nehru said.

But he would not speculate on whether fighting would be resumed after the Chinese complete the withdrawal that now seems to be underway. They have announced they will return to the lines they held Nov. 7, 1959, leaving them in control of considerably more territory than they held last Sept. 8.

17 Gas Victims Still in Hospital

CORNWALL, Ont. AP) — Seventeen of at least 103 persons exposed to deadly chlorine gas during a leaky railway tank car during the weekend remained under observation in hospitals Sunday for any signs of pneumonia.

Doctors said none was believed to have developed the lung disease but warned that persons who inhaled the yellow-green gas should report any respiratory troubles or chest pains. The only known casualties were 14 dead cows.

Part of a 30-ton load of liquid chlorine began dripping from a railway car on a siding, turned to gas and covered a square mile on the outskirts of this St. Lawrence Seaway City Friday night.

Officials evaluated 200 persons, sealed a 30-block section and had been prepared to move 20,000 persons out of Cornwall if the wind changed. The gas dissipated after a few hours. The door was detected 15 miles away.

Conditions were back to normal Sunday as an investigation got under way to determine the cause of the leak.

It Runs In The Family

B Y HELEN WORDEN ERSKINE

Dear Helen: My husband is an ever-growing coward. I've filed for divorce but he sweet-talked me into returning on the plea that he and the boys need me. Granted, our three little sons do but as for their Dad, any gal would do. His sister is the same — all males are fair prey for her. It runs in the family.

Her husband says I'm the kind who sticks by a man. I feel he's true blue too.

He wants me to go through with

the divorce this time and marry him. Like my husband, his wife is out till all hours and, if he asks where she's been, she'll grab the nearest portable object and bluff him. Last week it was the transistor radio he'd given her for an anniversary present. He was nicked above the right eye. That same weekend, my husband banged me across the nose. X-rays showed it was fractured. Should I divorce and marry True Blue or stick it out with this cad for the children's sake?

According to friends, I'm still attractive, have a good figure and look 16 instead of my 24 years. My brother-in-law is selling his home but won't start divorce proceedings until I get married. Says he wants to be doubly sure. He has a 4-year-old daughter. I need advice quick! My husband reads my mail. Answer in your column. —All-Mixed-up

Dear Mixed-up: Your three children are the crux of this problem. It is they, not you, who should be considered.

Sit down and calmly think this complex situation through. You never once mention love in connection with your brother-in-law, who seems to take his marriage as lightly as your husband.

Does he love the children? How do they feel about him? Do you

love his little girl? Is he prepared to support you and your three boys after paying the alimony his wife is sure to demand?

If your husband is the no-good you picture, then make up your mind once and for all to leave him, provided you have custody of the children and money to clothe, rear and keep a roof over their heads.

But, don't get the divorce just for the sake of marrying your brother-in-law. Once you're free and prove capable of standing on your own feet, you'll probably recall at the very thought of involvement in such a mess. Send a stamped, self-addressed envelope for my leaflet, "Attentions from Married Men."

Dear Helen: Ever since I've been a teen my mother has turned to me for advice. Through the years I've counseled her. Now she comes with a problem that's beyond me.

Both she and Father are in their late sixties. Since his retirement, he's become a penny-pincher, his excuse being that in case of illness they would need every cent.

Stuff and nonsense! They have a separate fund for such emergencies. Now where my mother actually wants for necessities, should I tell her to take the money out of the bank or do without? Or should I hold my tongue and let her solve her own problem as best she can? She's emotional and nervous. —A Concerned Daughter.

Dear Concerned: It's your duty as a daughter to help your parents all you can. Your father is naturally apprehensive because even though there's money in the bank, he's no longer bringing home pay checks.

Have a talk with him — the warm, friendly kind possible between parent and child if they've love in their hearts. Tell him it's all right to be provident but not to go to penny-pinching extremes. Miserliness is brought on by fear. Encourage him to find a new interest, something which would be a complete change from his former business. To retire, sit around and worry is ridiculous. If, as you say, your mother is

highly emotional, she may be a contributing cause; so do your best to calm her too. Perhaps, like your father, she needs a new interest. Send for my leaflet, "Ten Rules That Will Help Oldsters Stay Young."

Dear Helen: My husband has one sister 15 years our junior. Through our 11 years of married life, she has been very close to us. Now she plans to marry. The wedding will be in December at the church of our faith. To our anguish we're not invited. Is there any rule of etiquette which would rule us out because of age? But at that, we're only 35 and as yet haven't had to battle middle age spread or gray hair.

Friends who've only known our sister a couple of years received invitations to the ceremony. Her fiancé has no brothers. Are we wrong in feeling hurt? —Mrs. D.

Dear Mrs. D.: If you love your young sister-in-law, leave the wedding up to her. That's one time when the principals should be free to do as they darned please. There is no code to dictate whom shall or shall not be invited. Semo couples want everybody and his uncle at their wedding; others wish to be alone. Your role in this particular case should be that of an understanding, loving and close relative who cheerfully accedes to your sister-in-law's wishes.

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery. In case after case, while gently relieving pain, actual reduction (shrinking) took place. Most amazing of all—results were

so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!" The secret is a new healing substance (Bio-Dyn®)—discovery of a world-famous research institute. This substance is now available in suppository or ointment form under the name Preparation H®. At all drug counters.

Thant to Be Elected by Assembly

By WILLIAM N. OATIS

UNITED NATIONS, N.Y. (AP) - The U.N. General Assembly met this afternoon to elect U Thant of Burma secretary-general to serve until Nov. 3, 1966. He will lose the "acting" handle attached to his title for the past year.

The 1-nation Security Council scheduled a private meeting this morning to vote the necessary recommendation that the 53-year-old Burmese continue in the top U.N. post.

Thant's election by the assembly was expected to be unanimous.

The United States and the Soviet Union agreed earlier to give Thant a full five-year term as secretary-general. But on his insistence it will expire Nov. 3, 1966, five years from the date he became acting secretary-general as successor to the late Dag Hammarskjold.

Hammarskjold was killed the previous Sept. 17 in a plane crash near Ndola, Northern Rhodesia.

Thant, then Burma's chief U.N. delegate, was named to serve the rest of Hammarskjold's second five-year term, until April 10, 1963.

Besides running the U.N. secretariat of more than 5,000 employees, he has spent much of the past year since in tough negotiations on the problems of West New Guinea, the Congo and Cuba.

Friends say that, for personal reasons, he does not want to remain longer than four more years in the U.N. post.

Diplomatic sources report that the major Western powers—for technical reasons—also are opposed to a full new term for Thant.

When Thant was named to succeed Hammarskjold, the Soviets insisted that he be titled acting secretary-general because they were on record in favor of replacing the secretary-general eventually by a three-man "troika" board.

The Americans disliked the acting designation but went along to get the vacancy filled.

The Soviets have not publicly withdrawn their proposal for a three-man secretary-generalship originally made by Premier Khrushchev here in 1960. But they no longer mention it.

Sit-in Is Staged at Little Rock

By BILL SIMMONS

LITTLE ROCK (AP)—Negroes staged two non-violent demonstrations in downtown Little Rock Thursday to protest the arrest of two sit-in demonstrators Wednesday.

Police Chief R. E. Glasscock called a halt to the first demonstration by 35 Negroes chanting: "We'll stand up for freedom; God will see us through; we will all be free someday."

He told them chanting or singing violated a city ordinance against excessive noise, and the second demonstration, by 57 Negroes, was quiet.

William Hanson, 23, a white man, and Worth Long, 26, a Negro, were arrested Wednesday at a drug store lunch counter in Little Rock. They were charged under Act 266 of 1959, which makes unlawful any conduct which causes or threatens a breach of peace.

Their hearing was postponed Thursday until Dec. 7, but they were held at the city jail on \$500 bond.

A leader of the marchers Thursday night said the group was composed of students from the Great

Noted Educator Dies at 83

BEDFORD, Pa. (AP)—Dr. John Gabbert Bowman, veteran educator whose determination raised the world's tallest educational structure, died Sunday at his home in this southwestern Pennsylvania town. He was 83.

Dr. Bowman, chancellor of the University of Pittsburgh from 1921 to 1945, had been ill for some

er Little Rock area, which would include North Little Rock, a separate city north of the Arkansas River.

There are two church-supported Negro colleges in the area, Philander Smith in Little Rock and Shorter College in North Little Rock.

The leader said feeling was very intense about the arrest of Hanson and Long, but added that the group preferred to demonstrate peacefully and avoid violence and bloodshed.

"We only want what rightfully belongs to us," he said.

The state Supreme Court is expected to rule soon on the constitutionality of Act 266.

A Negro student was fined \$500 and sentenced to six months in jail on a charge of violating the act Nov. 30, 1960 during sit-in demonstrations by Negro college students. It is his case that currently is before the state Supreme Court.

Did It on Dare, and It Cost

PHILADELPHIA (AP) — "I did it on a dare," said Vincent Pelzer on Sunday, when he was fined \$10 for running onto the field to try to shake President Kennedy's hand during halftime at the Army-Navy game.

"One of my friends said to me, 'I guess you can't shake the President's hand,'" Pelzer, 45, of Wyckoff, N.J., told Magistrate Luke McBride.

"With that I was on my way. They know I can't take a dare."

Pelzer got within several yards of the President on Saturday before police halted him, as millions watched on television. Kennedy was walking between lines of cadets and midshipmen who formed a corridor across the field.

Early in his tenure at Pitt the 42-story Cathedral of Learning was constructed. Bowman exerted the major force behind the project, bucking strong opposition from within the university itself.

He even appealed for funds through elementary schools to children, asking them to bring in as many pennies as they could spare.

The cathedral, constructed from 1926 to 1929, stands today as Pitt's main building in the heart of the city's educational and cultural center.

College Teams End Season

By THE ASSOCIATED PRESS. Fifteen college football teams, led by Southern California, Mississippi and Dartmouth, finished the 1962 season with unbeaten, untied records.

Only one team was eliminated from the select list Saturday last weekend of the regular season. Northern State of South Dakota, which had won nine straight, lost to Lenoir Rhyne 20-7 in the eastern regional championship game of the NAIA playoffs.

Lenoir Rhyne, unbeaten and untied in 11 games, plays another perfect record team, Central Oklahoma State next Saturday in the NAIA title game.

Southern Cal, Mississippi and Dartmouth were the only major teams to go through the season unbeaten and untied. Southern

The unbeaten and untied: Lenoir Rhyne (11-0); Southern California and College of Emporia (10-0); Dartmouth, Mississippi, Florida A&M, Central Oklahoma State, St. John's (Minn.), Parsons, Susquehanna and Wittenberg (9-0, through elementary schools to children, asking them to bring in as many pennies as they could spare.

The cathedral, constructed from 1926 to 1929, stands today as Pitt's main building in the heart of the city's educational and cultural center.

Pelzer paid the \$10 fine plus \$2.50 cost, son charges of intoxication, breach of the peace and disorderly conduct.

Bobcats Down Prescott in Opening Game

By VINCE FOSTER

Saturday night at Prescott Hope split two games with the Bobcats overpowering the Curly Wolves 44-38 and the Hope Lady Cats falling to the Prescott girls 52-44 in the season openers for both of the local teams.

The Cats edged ahead 11-12 in the first quarter of the senior boys game, but Prescott held them to even ball in the second quarter with Tony Purdie and Dan Jones scoring 4 each for the Bobcats, while Stokes and Eley sank the same amount each for the hosts. At the half Hope held a narrow 22-20 lead.

The locals outscored Prescott 16-12 in the third period to stretch their lead 38-32. Each team scored six in the final quarter with the Bobcats stalling the ball the final minutes to run out the clock.

Junior Dan Jones whipped in 11 points to lead the Bobcat scoring, and Purdie followed with 10. Porterfield sank eight, Murphy six, Russell four, McLarty 3, and Mayfield two to round out the Hope scoring. Dan Jones also led the Cats in rebounding. Everett Jones with 15 points was high for Prescott.

The Prescott girls opened their game hard, taking a 17-11 first quarter lead over Hope. The hosts outscored the Lady Cats 10-8 in the second quarter to hold a 27-19 halftime lead. Both teams whipped in 25 the second half, but Prescott was out front 52-44 at the final buzzer. Shirley Smith led the locals in scoring with 18 points, followed by Annette Hatfield with 11 and Phyllis Martin with 9. Carolyn Hatfield sank 6 to round out the scoring. Others playing were Janice Lloyd, guard, and forwards Judy Owen, Gwen Farmer, Regina Smith, and Anna Watkins.

Tuesday the Bobcats and Bobkittens travel to Arkadelphia for a pair of non-conference games and then play host to Gurdin here Friday night.

Blanda Goes Good, Oilers Win in Rain

HOUSTON AP—George Blanda, ignoring a driving rain and a sea of mud, threw three touchdown passes Sunday as the Houston Oilers defeated the Denver Broncos 34-17 to protect their one-half game lead in the American Football League's Eastern Division.

The Denver defeat clinched the Western Division championship for the Dallas Texans even though the Texans were upset by the Buffalo Bills.

Houston jumped into a 10-0 lead but Frank Tripucka passed the Broncos into a 14-10 lead before the Oilers, cashing in on pass interceptions and a blocked punt, roared back to sweep their fifth straight victory.

Blanda figured in every Houston point except for a fourth quarter touchdown Don Floyd, 247-pound defensive end, contributed by returning a pass interception 28 yards.

Blanda kicked field goals of 16 and 20 yards and threw touchdown passes of 60 and 8 yards to Billy Cannon and 5 yards to Charlie Hennigan.

A fumble by Cannon at the Oilers 13 put Denver in position for its first score. Tripucka passed 12 yards to Bob Scarpitto at the 1, from where Jim Stintmeier carried over. Seconds later, a pass interception set up a 57-yard Denver drive, which Tripucka ended by passing 8 yards to Bo Dickinson in the end zone.

Six Porkers Sought by Pro Teams

DALLAS, Tex. AP—The Houston Oilers snapped up Arkansas fullback Danny Brabham in the first round of the American Football League draft here Saturday, and five other Razorbacks were tapped in later rounds.

Quarterback Billy Moore, the rushing leader the Southwest Conference this year, was not taken until the 17th round, when Dallas placed a bid for him.

Moore and some of the nation's other top players were not selected in the early rounds because they are expected to play their pro ball in Canada or because they are believed to have already made arrangements with the National Football League.

Tackle Dave Adams was selected twice—once in the 13th round by the Boston Patriots and again in the 23rd round by Dallas.

The question will have to be set was a redshirt. If he was, he could not be drafted until the 14th round and Boston, which acquired its choice from the Buffalo Bills, would have to relinquish him. The question will have to be settled by the league office after an investigation.

Another Arkansas tackle, Wes Bryant, was selected in the 15th round by Boston. Billy Joe Moody, fullback and monster man, from North Little Rock, was picked by Denver in the 23rd round and tackle Jerry Mazzanti of Lake Village was tapped by San Diego in the 25th round.

Brabham, a 218-pounder from Greensburg, La., and Moore, from Little Rock are seniors. So are Moody and Mazzanti. Adams and Bryant are juniors.

Some Teams Saved Best for the Last

By MIKE RATHET

Associated Press Sports Writer

Cincinnati's blue-ribbon basketballs, sitting atop college basketball's often thorny throne, clawed DePaul in their opener but it took only two days of the season for lesser lights Virginia Tech and Southern Illinois to start creating chaos among the pre-season elite.

Cincinnati's two-time NCAA champions, rated the No. 1 team in the country in The Associated Press pre-season poll, rolled to an easy 97-39 triumph over DePaul Saturday night without showing any effects from the loss of graduated Paul Hogue and heralded sophomore Ron Krick.

At the same time, however, third-ranked Kentucky was beaten at home by Virginia Tech 80-57 for its first season-opening defeat in 36 years, ninth-rated St. Bonaventure was shocked by little Southern Illinois 73-66 and Ohio State's new-era Buckeyes ran into difficulties before beating Utah State 62-50.

Form prevailed for the other members of the pre-season Top Ten who opened, although Duke and Wisconsin were hard pressed. The second-rated Blue Devils, getting a 36-point performance by Art Heyman, needed a quick spurt in the final 3 minutes to subdue stubborn Davidson 70-68 and 10th-rated Wisconsin had difficulty downing Air Force 72-64.

Loyola of Chicago, No. 4, romped past Christian Brothers 114-58 with Jerry Harkness leading the way with 21 points. Fifth-ranked West Virginia whipped The Citadel 66-61 as Rod Thorn accounted for 29 points.

Illinois, No. 8, got underway Friday by beating Butler.

Runners-up to Cincinnati for two years in the NCAA championship event, the Packers needed a cold spell by Utah State plus Gary Braddis' 32-point output to come from behind and win their opener.

The Bearcats, expected to be slowed by the loss of Hogue and Krick, who is out for the season with a shoulder injury, played almost flawless ball against outclassed DePaul.

Led by backcourt field general Lee McLean, Virginia Tech's Gobblers played back-and-forth with Adolph Rupp's Kentucky Wildcats until they broke a 74-74 tie and held on for the triumph.

St. Bonaventure, pre-season choice to be the pride of the East with the return of Fred Crawford after a year's inaction forced by a case of tuberculosis, found track power Southern Illinois equally proficient on a hardwood floor.

MILITARY MIGHT—Heavy armor of the West German Bundeswehr's 29th tank brigade prepares to move out from the training grounds in Sigmaringen in a massive display of military might. The brigade staged a farewell parade for its departing commander, General Kurt Gerber. Vehicles and bands of the U.S. and French armies also paraded.

Chandler Is Key to Giants Success

By JACK CLARY

Associated Press Sports Writer

In his first six seasons with the New York Giants, Don Chandler never scored a point. Today, the Giants are worshipping at his feet, particularly the right one which booted them into their second straight National Football League Eastern Conference title and their fifth in seven years.

Chandler, used solely as the team's punter until this season, kicked four field goals and two extra points Sunday as the Giants edged the Chicago Bears 26-24 for their seventh straight victory and clinched the title. It was the second time in the last three games, and third time this season that Chandler's kicking has brought the Giants a victory.

Just who the Giants opponent will be in the Dec. 30 championship game at Yankee Stadium still is unsettled, but it looks like Green Bay again. The Packers, who humiliated New York 37-0 last Dec. 31 for the NFL title, have a one-game edge on the Detroit Lions in the battle for the Western Conference crown. Each has two games left.

The Packers, now 11-1, bombed the Los Angeles Rams 41-10 while second-place Detroit 10-2 edged the Baltimore Colts 21-14 for its sixth straight victory. It is strictly a two-team race in the West as the Giants eliminated the Bears from anything higher than a third-place finish, and caused the Eastern race to be reduced to a four-way fight for second place and a spot in the Miami, Fla., Playoff Bowl on Jan. 5.

The Pittsburgh Steelers 7-5 moved into second place in the East with a 19-7 victory over the

DISPLACED PERSON—Paul Hornung, sitting on the bench in street clothes, bit his fingernails in frustration as Green Bay smacked the San Francisco 49ers in Milwaukee. The Packers' tremendous halfback and kicker injured a knee in the Minnesota game.

Porkers Open Cage Season Monday Night

FAYETTEVILLE, Ark. AP—

The University of Arkansas Razorbacks get a chance to avenge the only defeat they suffered in basketball last season when they meet the Kansas University Jayhawks in Barnhill Field House tonight.

Kansas tripped Arkansas 85-74 last year in Arkansas' opener at Lawrence, Kan., and then the Razorbacks ripped through nine straight opponents.

Arkansas finished the season last year with a 14-10 record, 4-9 in Southwest Conference play.

Seniors will be called on by Coach Glen Rose to provide the heart of the Porker attack. Rose has tabbed four of last year's starters and another senior to take the floor against Kansas tonight.

They include Tommy Boyer and Larry Wofford of Fort Smith, Jerry Rogers of North Little Rock, Jim Wilson of Cherry Valley and Bobby Anderson of Pine Bluff.

Rose said he will probably use a man-to-man defense against Kansas—a sinking man to man which will allow the Razorbacks to switch off on an opponent's big man.

As usual, a lack of speed will hamper the Razorbacks. And they won't have any outstandingly tall men. Overall height is good this year, though.

Skippy Coffman, another senior lettermen, is expected to be called on for considerable duty, too.

Last year against Kansas, Boyer was sidelined with a broken nose, which he suffered in pre-season practice. The Razorbacks have gone through practice this year without injury, Rose said.

Freshman basketball coach Duddy Waller scouted Kansas in its opener against Montana last Saturday night. Kansas won 68-56.

The freshman basketball team will play Beebe Junior College before the varsity battle.

Some Teams Give Warning in Cage Play

DALLAS, Tex. AP—Some of the best performances were saved for the final day of Southwest Conference football but there were no changes in the status of the teams along the statistical line.

Arkansas led in both offense and defense, rolling up 357 yards per game and allowing the opposition only 200.1.

Baylor had the top aerial yardage of the season against Rice in a closing conference game, the Bears throwing for 245 yards. And the total offense by Baylor and Rice—666 yards—had been exceeded only once this season.

Texas and Baylor compiled 735 yards against Southern Methodist last Saturday was the Frog's second best performance aground.

Tommy Joe Crutcher of Texas Christian, in leading the Frogs to a 14-9 victory, ran for 125 yards, the best rushing performance of the year in conference play. It was exceeded over the full route only by Bill Moore's 126 against Tulsa.

Don Trull of Baylor rewrote the conference record book for an individual passing with 125 completions, 1,627 yards and 1763 total offense.

For the second straight week, Mike Broyles of Baylor led the league in punting, this time with a 45.0 average, but the season champion was Southern Methodist's Danny Thomas who averaged 40.7 on 69 kicks.

Arkansas set a new record of 35 conversions in a single season. The old record was 34, set by Texas A&M in 1950.
